Eterna
Collection

RA7G Eterna Blanco Rt 100x100cm

Eterna

A stone-look collection in which subtle graphic patterns, evocations of sea-shells, add movement to the uniform surfaces in the Blanco, Arena and Greige colours, while darker marble inserts decorate the surface of the Mix variants, creating coordinated compositions with a strong personality. Spaces to escape to, for enjoying indoors and outdoors, where commercial locations intermingle with residential scenarios, rediscovering the joys of a freer, more easy-going lifestyle. A classical aesthetic enhances Eterna's contemporary spirit in large, light-filled spaces.

Eterna is made with two innovative technologies: CleanOut Antibacterial Protection – for integrated antimicrobial protection of surfaces – and StepWise stoneware and ceramic featuring a soft feel and extremely high performance in terms of slip resistance.

Caratteristiche Tecniche

-  Frost proof
-  Resistance deep abrasion

Destinazioni d'uso

D
 Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

E
 Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

F
 Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

Variazioni cromatiche

V0
 Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

V1
 Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

V2
 Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

G
 Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

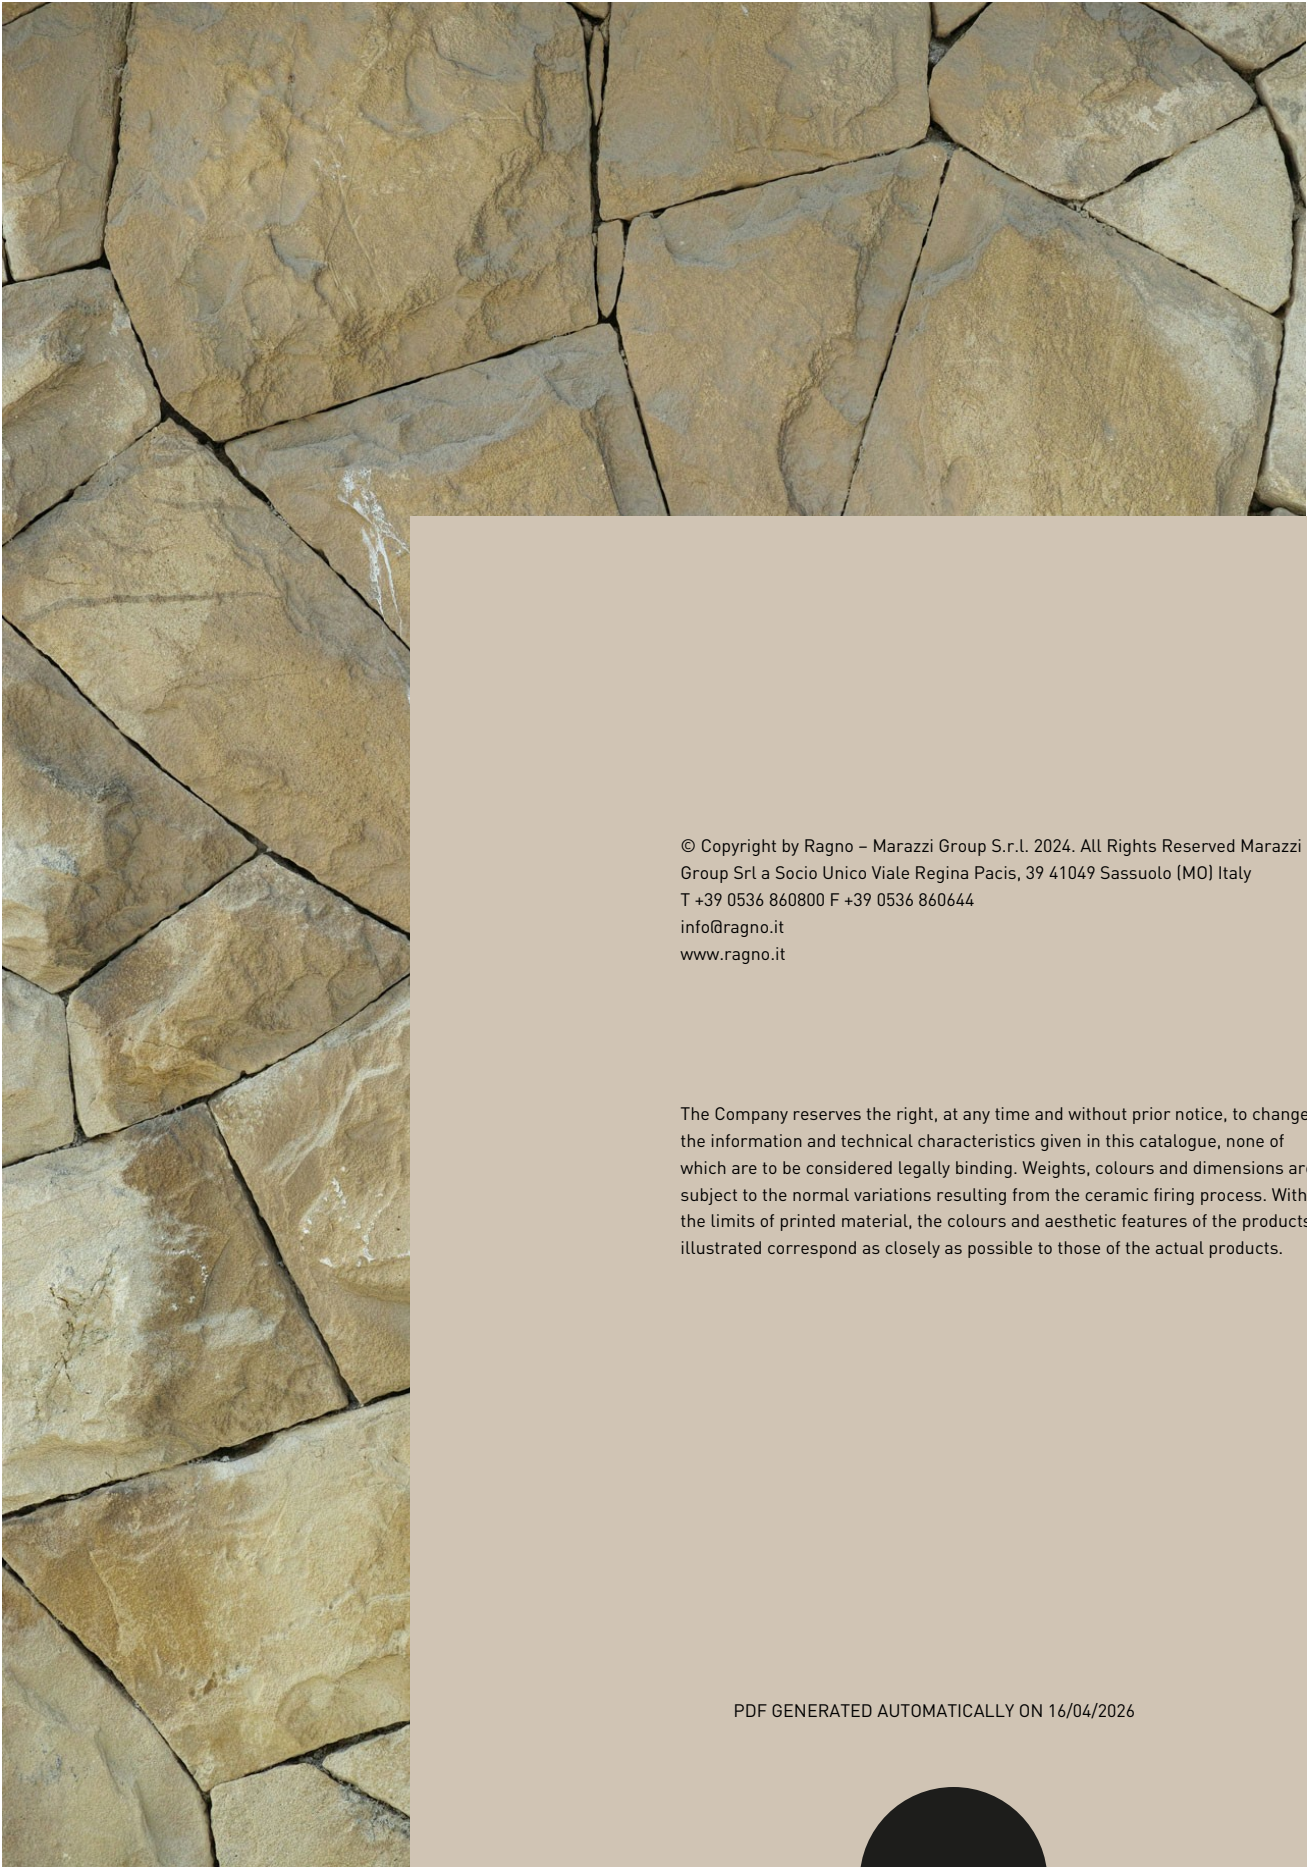

H
 Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

V3
 Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

V4
 Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material

The Company reserves the right, at any time and without prior notice, to change the information and technical characteristics given in this catalogue, none of which are to be considered legally binding. Weights, colours and dimensions are subject to the normal variations resulting from the ceramic firing process. Within the limits of printed material, the colours and aesthetic features of the products illustrated correspond as closely as possible to those of the actual products.
