RCDC Boheme Tortora Rt 20x150cm - RCGZ Stratford Wall Struttura 3D Resina Blue Rt 40x120cm

## Stratford Wall

Made with innovative Touch technology, Stratford Wall decorations feature a wealth of graphic and color details, highlighted by a unique relief effect. Botanical textures for the Paradise decoration in Freddo, Caldo and Red versions, and geometric patterns for the Icon decoration, available in a single pattern. Also joining the decorative range is the 3D Resin Structure - in White, Grey, Clay and Blue - which with its subtle relief lines enhances the three-dimensionality of the ceramic surface.

Caratteristiche Tecniche

-  Frost proof
-  Resistance deep abrasion

Destinazioni d'uso

**D**  
 Tiles suitable only for residential bathrooms and bedrooms; any type of abrasion must be avoided.

**E**  
 Tiles suitable for any room of a house except for entrance areas and kitchens. Low stress abrasive wear.

**F**  
 Tiles suitable for any room of a house without direct access from the outside or access not protected by doormats. Average stress abrasive wear.

Variazioni cromatiche

**V0**  
 Monochromatic - V0: tiles of the same shade are very uniform, in just one colour

**V1**  
 Uniform appearance - V1: uniform colour with only minimal differences between tiles in the same production run

**V2**  
 Slight variation - V2: clearly distinguishable differences in texture and pattern within the same production run

**G**  
 Materials suitable for rooms subject to medium-heavy abrasion, such as detached houses and light-traffic commercial buildings.

**H**  
 Materials suitable for situations of relatively hard abrasion in environments without protection against scratching, both public and private.

**V3**  
 Moderate variation - V3: significant variation in texture, pattern and colour from tile to tile within the same production run. The colour range should be viewed before selecting the material

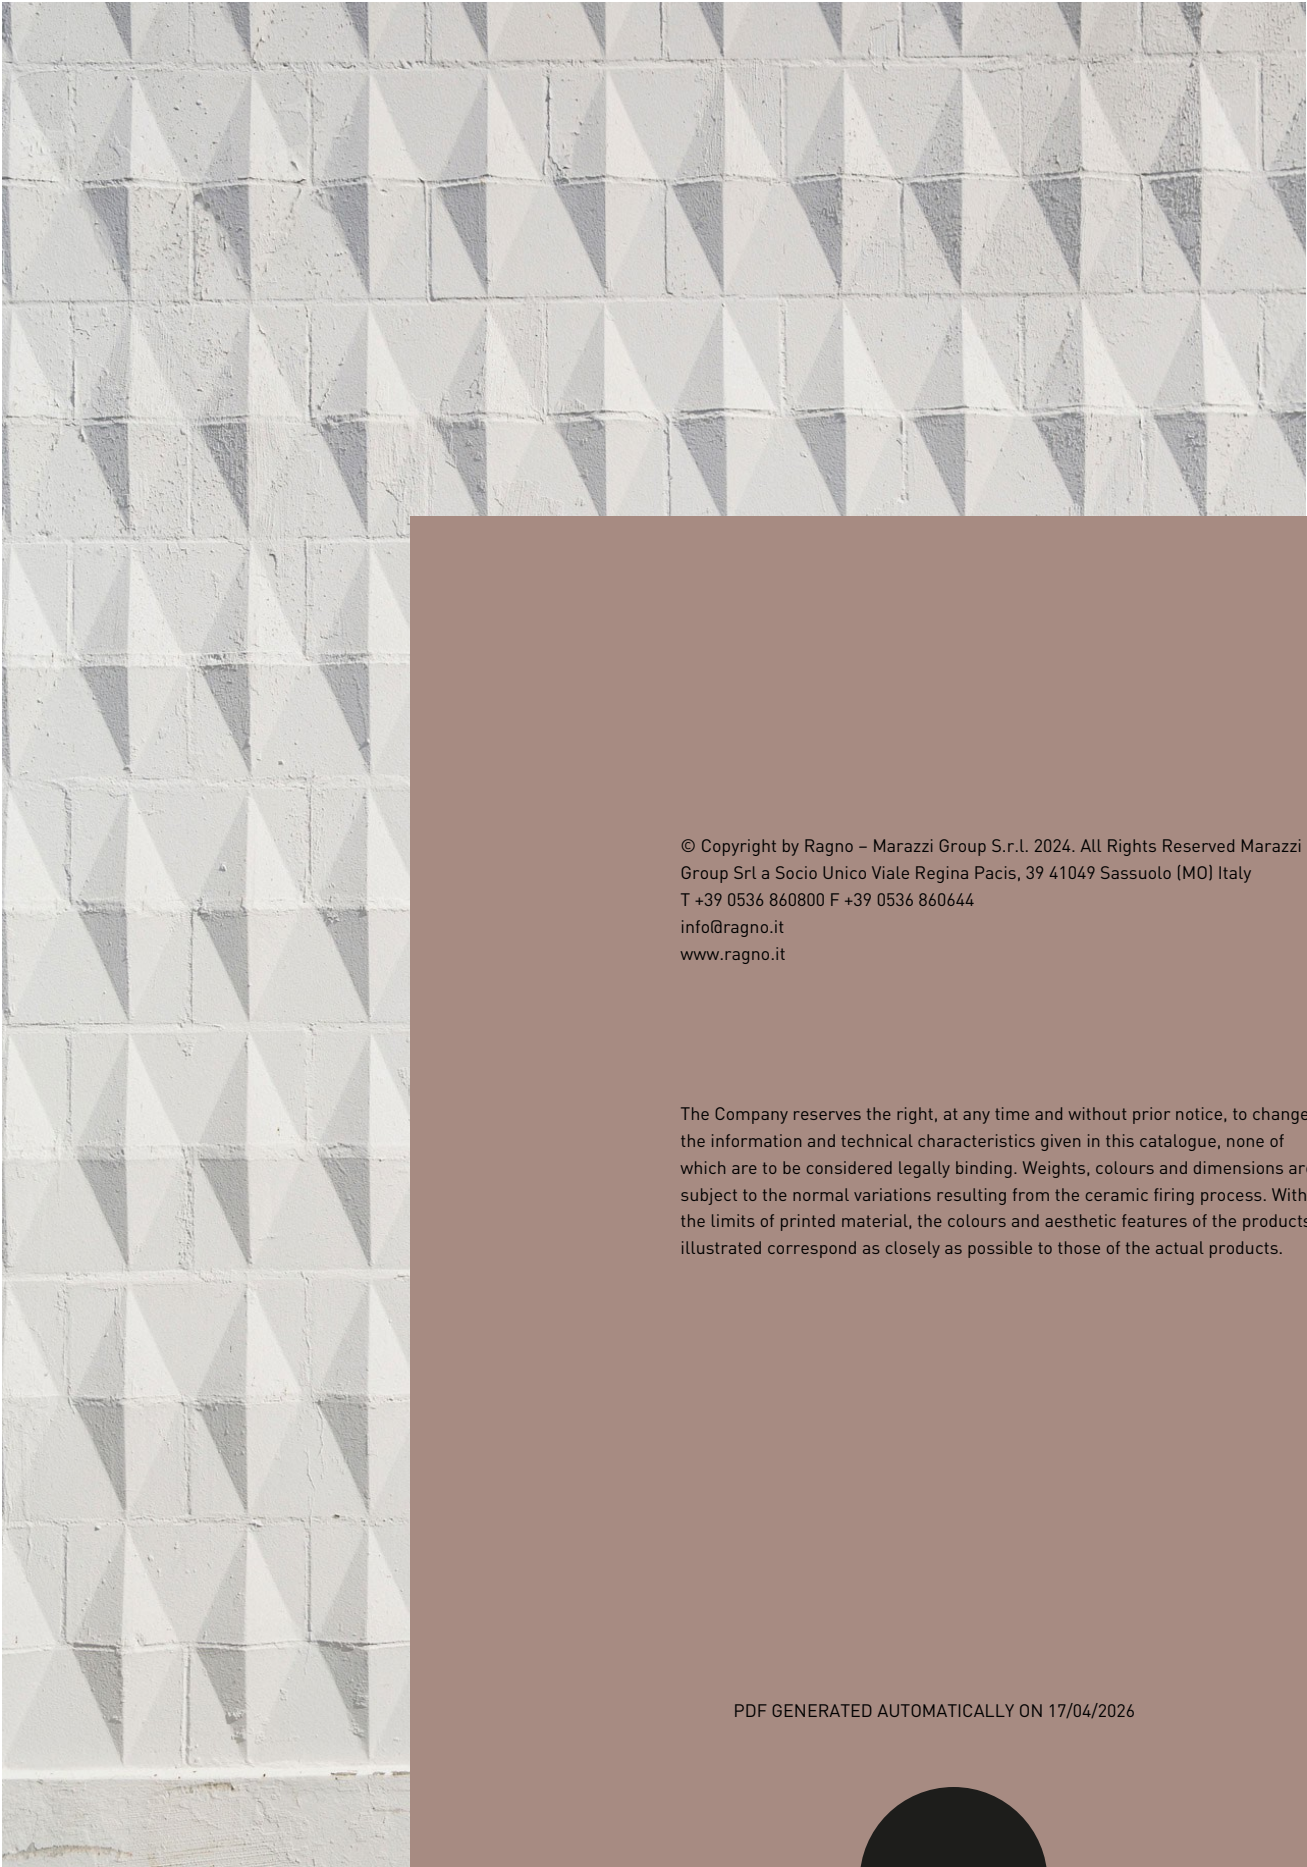

**V4**  
 Substantial/random variation - V4: random differences from tile to tile. One tile may have totally different texture and colour from another. The colour range should be viewed before selecting the material
